Synopsis

From Introduction - Deciding to learn Spanish is one of the best decisions you can make if you want to travel and see the world. More than 400 million people around the globe speak Spanish. Inside the United States, Spanish is by far the most widely spoken language after English. There are currently about 30 million Spanish speakers in the U.S. Learning a language is more than just memorizing words and structures. When you study Spanish, you learn how the people who speak it think, feel, work and live. Knowing Spanish opens many doors.

In previous years I had a lot of difficulty picking up Spanish, from other text books (Realidades 1 and 2). However Avancemos, does a great job going in depth with each chapter. The structure is very student friendly and is easy to pick up for even the people, such as myself who have a hard time understanding Spanish. This textbook also goes over a lot more vocabulary than my previous

textbooks and has easier to understand examples. I highly recommend purchasing this textbook for intermediate beginners.

Arrived promptly and comparing with my students book (the newer edition) even the pages seem to be the same! . Awesome!

I lost my textbook and bought this to replace it, it is the exact right one and saved me a load of money.

Was in good shape except some pencil writing which were erased pretty easily

Great price for this book for my son

As described.

great for learning Spanish

The book was dirty and had writings all over it
