## **Customer Reviews**

"This attractive and informative addition to the Library and Information Science Text Series provides a comprehensive introduction to the field of children's literature. Designed specifically to teach library science professionals how to select, display, and create engaging activities around children's books, this unique textbook also has far-reaching appeal to anyone interested in learning more about children's literature. . . . These features make the book an indispensable resource for

information professionals." - ARBAonline --This text refers to the Hardcover edition.

Sylvia M. Vardell is professor in the School of Library and Information Studies at Texas Woman's University.

condition good.

This book is such a wonderful read and resource for those seeking to be school librarians.

excellent service and this is a good book.

I learned so much from this book. I love this book.

I just needed it for class...Information is good!

Great book for my class!

Shipped as promised
