The Clear Word

Synopsis

The Clear Word lets the power of ancient texts come through today. As the meaning of Scripture becomes more transparent, you see more of God's grace and love. The Clear Word has renewed the devotional lives of thousands of people. Let it renew yours. The convenient format makes it easy to navigate the Old Testament. Each chapter is a separate, numbered track, so you can listen sequentially or select a specific book or chapter.

Best Sellers Rank: #44 inÂ Books > Audible Audiobooks > Religion & Spirituality > Bibles #1802 inÂ Books > Audible Audiobooks > Religion & Spirituality > Christianity #2239 inÂ Books > Christian Books & Bibles > Bibles

Customer Reviews

Note, this is a paraphrase not a translation however i REALLY like it and i rarely find it out of step with my understanding of King James etc. Reading it allows you to cover large sections of the bible to get the big picture fast and almost anyone at any reading skill will increase their understanding. As far as i am concerned this should be read in conjunction with your favorite "translation" and you will be the better for it.

This is a fine paraphrase of scripture, but it is not a bible! Of course, due to idiomatic expressions in every language, it is almost impossible to ever have a literal translation of any speech or writing from one language to another. Each language has its own expressions which are completely meaningless in other languages. The "Clear Word" tries to avoid these by paraphrasing the original Bible text into the modern American English so that the idea is easy to understand. Most of the time it succeeds very well. But, it is only just a paraphrase, and must be understood as such. Thus, while it is easy to understand and enjoyable to read, if I want Biblical authority, that is "a thus sayeth the

Lord," I will not use this book, but will use a trusted version of the Bible, such as the "King James" which was translated with meticulous effort by men of God who risked their very lives to make available the everlasting Gospel to English speaking people. I do not intend to demean those who compiled the Clear Word, nor their efforts. Certainly, it helps me understand some of the more obscure texts from older translations, so it is a very welcome tool. It is a lot easier for me to understand the more modern American English.

I absolutely love the Clear Word Bible!! So much so I bought one for a friend and a CD for my cousin. I highly recommended it to anyone having a hard time understanding the King James, I use both. I read the Clear word to understand the script then compare it to the King James, sure makes understanding the Bible a whole lot easier. The print in the pocket size was too small for my liking so I returned it for a larger print.

The Clear Word is one of my favorite paraphrases of scripture. The thoughtful manner in which each verse is expressed is refreshing and the "story" of a Creator who loves His creation to the degree that He "walks in their shoes" and offers to restore them to their original state of perfection is life changing. I'm very glad to have the digital version which makes it easy to take it along when away from home.

Best investment ever, I haven't been able to stop myself from reading because it flows with such ease. I'm really enjoying this experience. Though I understand this is not a Bible to be used for studying, the paraphrasing makes the difficult themes of the King James Version really helpful.

This is an easy to read and insightful paraphrase. I highly recommend it.

I love this Bible! It's like the Bible for dummies. Everything is explained in a clear way and understandable

It's a great paraphrase but the Kindle version is VERY disappointing to navigate. If you were Psalm 139 for instance, you have to go to Psalm 1 and flick each page till you get to it. How antiquated is that! PLEASE do a navigation upgrade!! :) Apart from that, it's fantastic, but I don't use it much because it's too difficult.
