Your Best Life Begins Each Morning: Devotions To Start Every Day Of The Year (Faithwords)

Synopsis

The potential to live your best life starts with each new morning. With every sunrise, you can choose to approach the day with an attitude of faith and expectancy. Bestselling author Joel Osteen writes, "When you get up in the morning, the first things you should do is set your mind in the right direction . . . and then go out anticipating good things." Now, for the first time, Pastor Osteen presents a tool to accomplish that goal. Based on his book, *Your Best Life Now*, he offers prescriptions for positive living in 365 daily messages. Each message is accompanied by a relevant scripture.

This is a great little tool for starting your day off on the right foot. Short but meaningful devotions that are practical, applicable and based on God's word. I like to read through it, pray about it and then write a letter to God-just a couple of paragraphs-asking Him to help me embody what. I just read. A really peaceful to begin each day and get your mind thinking about the right things. You can use it alone or in addition to other Bible studies. I am happy with my purchase and would buy it again.

I love listening to his sermons each time. I have always found him to preach values that are in perfect balance with religion and science. Lately, I have been reading many books about increasing your productivity and living a more positive life. From all that I read and practiced so far, reading good stuff in the morning is one of the best ways to start your day. This book is one such great resource . The daily devotions presented in this book are short - you wont need more than 15 minutes to read and reflect over it. I love how it sets my mood on the right track every morning . This book mostly reminds us about our worth as an individual (which we sometimes forget) and helps to strengthen our faith and courage to face all the problems in life . I somehow find that the ideas in the daily devotions are repetitive . May be the author is trying to reinforce them -which is good though. But I personally like his daily emails more (named : Today's Word with Joel & Victoria) . Nevertheless , this book is also one on my daily-must-read list . Thank you very much Joel!

I always enjoyed listening to Joel on the radio and on TV. This little book has a page of inspiration for each day of the year. You will not be disappointed.

Love the book but the print is soooooooo tiny I can't read it without a magnifying glass.

I read the daily devotions every morning, inspiring. As well as watch his Sunday sermon.

I love Your Best Life by Joel Osteen. The only thing I would suggest is have more information available about the size of the book and size of print. Because of my vision issues the print is too small, which makes it difficult to read.Thanks!

I love the short messages, the way he ties the message into every day life experiences.

Christmas gift for my in-laws; they really liked it.
