Used for a quick weekend trip to Cape which had never visited before. It gave me a great orientation and trip planning capability.

Great size, easy to read. Just a little dated

Used this to research a recent trip to Cape Cod. It is a nice concise book of nice quality. Good information. Great trip. Did not love the map included in the back but that was a bonus anyway. Get a good map or Cape Cod Atlas with this book.

We took this book everywhere on our 4-day vacation in Cape Cod. It offers just enough detail and we found it very useful and worth the money. Small enough to fit easily in my purse.

love it Just what the doctor ordered. tells a lot about the cape cod. would tell all my friends to buy one !!!!!
