Jhenah Telyndru (New York), who has been called "the mother of the Avalonian revival" by PanGaia's Elizabeth Barrette, developed the Avalonian Tradition and has been teaching it for more than two decades. She is the founder and Morgen of the Sisterhood of Avalon, an international Celtic women's mysteries organization, and serves as Director of the Avalonian Theological Seminary. A candidate for a Master's Degree in Celtic Studies at the University of Wales at Lampeter, Telyndru teaches Avalonian intensive workshops around North America and facilitates pilgrimages to sacred sites in the British Isles. This book is not only connected to the Celtic-Avalonian archetype like no other, it takes its readers through a transformational journey of the soul. This book gives insights, lessons & tools for growth. Jhenah's style of writing is simply wonderful, she is concise and yet descriptive in a way that is captivating. Her ability to bring you to her writing & connect with the archetype and landscape of Avalon is like no other I've read!! This is an amazing book for all people regardless of their spiritual persuasion. Her work & perspectives brings healing of the self into the for-front of connection with the Divine, the land, & most of all ourselves. I highly recommend this book for anyone on a path of

healing to bring forth their sovereign selves.

Fabulous and well researched. Highly recommended.

The best book for a women seeking wisdom, women trying to recover the ancient connection to the nature, the importance of cycles and sisterhoods, the mysticism, the beauty of magic, and the women roll to protect, to heal family and love herself and find the way to her own soul. A book to work with, to growth and heal ourselves. I just love this book! Is a book that you find when you really need it.

This book is THE one I return to - it's my main resource for personal growth, the Cycles of healing and personal Sovereignty. I re-read this book at least once a year - I have both the Kindle and paperback versions so it is always near. Ms. Telyndru's writing is based on years of research and experience, yet it is accessible and well organized as you move through the healing cycle each year. I highly recommend this book, it provides the roadmap for personal growth, connecting with the Holy Isle of Avalon.

This is a great book for women looking for guidance in Avalonian Spiritual traditions. I have multiple copies, well worn and with tabs marking particular topics.

If you love the Isle of Avalon, and wondered about it's Traditions, then this is the book for you! Very well written. A book you will read more than once.

Good way and simple method for understanding The principles of Goddess in Avalon! Easy and practical for daily life purposes

Packed with profound information, this book also serves as a guideline for the Avalonian Healing Path that leads to wholeness. Jhenah also delivers esoteric information in a clear, engaging style that catalyzes individual revelations. I think it's one of the very best in this category.
