Garfield Out To Lunch: His 12th Book (Garfield Series)

Synopsis

When food is your life, it's hard to think of anything else. Still, Garfield manages. Whether it's time to clean out Jon's drawers his way, finding a hiding place that's too good, or discovering he can sleep in any position, half the fun of Garfield is watching his between-meal antics. In his twelfth book, he's up to his usual tricks, and that's all his fans need to hear.

My grandson loved it

grandson thinks its great

I consider Garfield's Books 1-12 one of the greatest collections of creative arts ever...comparable in my book to Frank Sinatra's Concept Columbia Records Albums, for example. He has never been this good before. If Books 4-7 are the apex of that "Golden Era," then Book 12 is the last one to soar close to that level but just not quite make it (A La Books 1, 2, 3, and 8), yet do better than other solid books of that time (Books 9, 10, 11).The jokes, pacing, and format fit seamlessly with the

previous 12...and none after that were quite as aligned...the gap widened a bit for a while..then tightened back up. No one stays in "Beast-Mode" forever.

Yes, yes... Garfield is for ALL AGES, but I'm going to take a minute to rave about this book from a mom's point of view. And as a mom of an active 9 year old boy, I can tell you that it is sometimes rather difficult to get him to sit down and read. Enter the librarian's suggestion of "Garfield Out to Lunch". Great choice. He absolutely loves it. So much so that I can't get him to pipe down and stop telling me about it. He insists on reading every comic to me. He and his sister (11) fight over the book. And laugh and laugh and laugh. It's just great wholesome fun and a great way to get children, even boys!, to slow down for a moment or half-an-hour and read. THE SKINNY::: This book has some of the great classics. It contains includes National Fat Week, Sumo Cat, Splut Week, cleaning out the fridge, a visit to Dr. Liz, the Hawaiian Cat Flu, getting stuck in the mailbox, a visit from Cousin Judy and more. (summary courtesy of some guy at) Accelerated Reading Level - generic 3 (no month given) The book seems sturdy. The paper isn't glossy, but thick and sort of coarse to the touch, but the color is good. Pam T~mom/blogger

Awesome Awesome Awesome book! Cha-ching. The best book EVER. Garfield is fat, furry, and loves going out for lunch, especially in this Awesome Awesome Awesome book. This book is a great book. I can never turn back on Garfield

This twelve installment of the "Garfield" comics includes National Fat Week, Sumo Cat, Splut Week, cleaning out the fridge, a visit to Dr. Liz, the Hawaiian Cat Flu, getting stuck in the mailbox, a visit from Cousin Judy and her kids, lunch with Irma, a journey through a storm drain, a cat who's been raised by squirrels, a solution to Odie's drool, and ODie as Mr. Skins. This is somewhat weaker than the earlier comics, but it still never ceases to make me laugh.

Excellent book, funny and amazing.
