Maritime Law And Practice In China (Maritime And Transport Law Library)

Synopsis

A comprehensive treatment of Chinese maritime law and judicial practice, this book covers both substantive law and procedure law of maritime law in mainland China. This is a professional book for both academics and practitioners in the field of maritime law. Including analysis of and comment on judicial practice from the Supreme People's Court, Higher People's Courts and ten maritime courts, as well as a whitepaper of Chinese maritime adjudication for 30 years (1984-2014), this brings to an English-speaking audience for the first time some of the most technical aspects of maritime law. It is therefore an invaluable resource for all those interested in maritime law in China.
