I think this is going to be a great devotional series. Im only a couple days into it. I kind of wish they were a little longer but it is great for someone who doesnt take a lot of time for their devotions. Good message for each day that you have no excuse with time to not do it. Excited for the next 363 days

of it.

I read a portion of the Confident Woman as a devotional on the Bible app and loved it so I decided to buy it. I am happy with my purchase!

The Confident Woman by Joyce Meyer is quite a powerful confirmation of applying truths to daily living. We all could use this book for encouragements to share with people with whom our paths cross each day. We at ReagansMom.Com LLC encourage people who wish to make a difference with their lives. We tell stories. This book by Joyce Meyer is packed with brief subject matter that can serve as a springboard to new friendships as we strive to help others. Content alert: scriptures from the Bible are included to verify the messages as based on sound principles.

Only 7 days into reading this devotional and already I've learned so much. I love Joyce Meyer. She puts words down on paper that explain things so that I will understand them. Everything I've read so far as really hit home. Sometimes we get so busy taking care of others that we forget about the most important person, ourselves. This is a great book for women. Give it a try. You won't be sorry.

Just what I was looking for as a daily devotional--a Bible verse to contemplate and a brief real life story that will be relatable to most women, with a very brief, inspirational verse--all in one page. Great for beginning the day--or ending.

This is a Excellent devotional book to read everyday. Its very uplifting and encouraging. I enjoy reading this book everyday.

Joyce Meyer, The confident woman is very up lifting to the spirit.
