Founded in 1947, Hal Leonard LLC has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Music good for beginner flutists as the songs are simple with repeats ~ I wish it was listed as "BEGINNER". Not the best keys and arrangements and the songs seem a bit "off" if you are familiar with the more popular tunes. Good book for someone learning to play the flute and how to play accompaniment pieces, but advanced players need to look elsewhere.

It has easy to read music. My daughter loves it. Great songs for worship and the CD play along is

great.

I bought this for my daughter to practice flute music - and she does. She likes using her music to praise the Lord!

I use this book all the time in church! I love the arrangements and that the CD accompaniment is real instruments.

Since I am learning to play flute, the Cd pushes me to keep the rhythm and tone. I am loving this.
