Story Time Doctrine - Volume 1

Synopsis

What is Story Time Doctrine? Story Time Doctrine is a children's book series that seeks to teach children orthodox Christian doctrine through a combination of story, discussion and catechism. What is doctrine? The core theological truths communicated to us through the Bible. How is Story Time Doctrine different than a typical story book? It's much more than fun stories or pretty illustrations. Every story parallels Christian doctrines, so that as children connect with the stories in this book, the doctrines will be communicated on a level they can understand. What age group is best served by this book? Volume 1 is intended for early elementary school students (Pre-K - 3), but may be enjoyed throughout all of a child's elementary school years.
