## Customer Reviews

David Colbert's most recent book is the New York Times's bestseller Michelle Obama: An American Story. In addition to the 10 Days series, he authored the acclaimed Eyewitness series of first-person history and the Magical Worlds series for children. More than two million copies of his books are in print in almost thirty languages.

Coming from the number one book seller to this book about the number two book seller of all time, I appreciate the reference to how these events shook my and should have shaken everyone's "world".

A good book to summarize the life of Anne Frank. It is more appropriate for readers in fourth and fifth grades as compared to the Diary of Anne Frank which is much more intimate and complex.

Excellent!

I have always been a big fan on Anne Frank, finding and ready so much about her is intriguing to me!! The overall story is heart braking, yet one that needs to be shared about our past!

Really enjoyed this piece and felt it easy to follow. I would recommend this as an alternative to other books.

It is wonderful and sad with detail. I think this is great book because you can learn a lot from it. I recommend it.

Heartbreaking

I read this book when I was 8 yrs old for the 1st time and liked it. Since then I have read it again 7 times and I still love it 30yrs later.
