Chateau De Blois: Simple Guide (Chateaux Of The Loire Valley)

Synopsis

First great site in the Loire Valley to discover coming from Paris, the Royal Chateau of Blois offers a true panoramic survey of art and history of the chateaux of the Loire Valley and sets a good introduction to their visit. Residence of 7 kings and 10 queens of France, the Royal Chateau of Blois is a site reminiscent of the power and daily life at court in the Renaissance, as do testify the royal apartments, furnished and embellished with magnificent polychromatic decors.
