Roger E. Savain is a native speaker of Haitian Kreyol, a Bilingual Education consultant, an author and columnist, a translator-interpreter (English-French-Kreyol), and an instructor-lecturer in Haitian language and culture. An alumnus of the State University of Haiti and of Fisk University, Nashville, Tennessee, he is a fellow of Harvard University Institute for Educational Management, a former active member of the American Translators Association, and of the National Association for Bilingual Education.

As a writer, I found this book very helpful in determining the way my characters spoke without having the ability to go to Haiti and hear it for myself. It addresses sentence structure and word usage effectively, but it is by no means a dictionary! If you want noun or verb translations, you will need another book.
