Bentley Traditions And Encounters, AP Edition (AP TRADITIONS & ENCOUNTERS (WORLD HISTORY))

Synopsis

Traditions and Encounters: A Global Perspective on the Past is now available as an AP edition with NASTA spec binding! Revisions in the text reflect changes to the AP course, and new AP supplements reflect changes in the AP exam. Traditions and Encounters has a rich history of firsts: the first world history text to take a truly global perspective on the past, the first to emphasize connections among cultures, and the first to combine twin themes with a seven-part framework - making the huge story of world history more manageable.

Customer Reviews

Jerry H. Bentley was professor of history at the University of Hawai'i and editor of the *Journal of World History*. His research on the religious, moral, and political writings of Renaissance humanists led to the publication of *Humanists and Holy Writ: New Testament Scholarship in the Renaissance* (Princeton, 1983) and *Politics and Culture in Renaissance Naples* (Princeton, 1987). More recently, his research was concentrated on global history and particularly on processes of cross-cultural interaction. His book *Old World Encounters: Cross-Cultural Contacts and Exchanges in Pre-Modern Times* (New York, 1993) examines processes of cultural exchange and religious conversion before the modern era, and his pamphlet *Shapes of World History in Twentieth-Century Scholarship* (Washington, D.C., 1996) discusses the historiography of world history. His most recent publication is *The Oxford Handbook of World History* (Oxford, 2011), and he served as a member of the editorial team preparing the forthcoming *Cambridge History of the World*. Jerry Bentley passed away in July

2012.

Good as expected

I love this book. My daughter lost hers so I bought this one to replace it, then she found hers. Rather than be upset, I am excited to be able to keep one. It's well written and very interesting. One doesn't need to be in high school to enjoy reading and learning from this.

I came in a better condition than I expected. I love it !!

The description said that there might be writing or bent corners... But upon arrival the book looked brand new

Love!!!

Came in good condition as expected

Item as described and promised.

Need for AP History class
