The Promise Of Dawn (Under Northern Skies Book #1)

Synopsis

Beloved Author Lauraine Snelling Launches New Immigrant Series When Signe, her husband, Rune, and their three boys arrive in Minnesota from Norway to help a relative clear his land of lumber, they dream of owning their own farm and building a life in the New World. But Uncle Einar and Aunt Gird are hard, demanding people, and Signe and her family soon find themselves worked nearly to the bone in order to repay the cost of their voyage. At this rate, they will never have land or a life of their own. Signe tries to trust God but struggles with anger and bitterness. She has left behind the only life she knew, and while it wasn't an easy life, it wasn't as hard as what she now faces. When a new addition to the family arrives, Signe begins to see how God has been watching over them throughout their ordeal. But after all that has happened, can she still believe in the promise of a bright future?

Customer Reviews

By my absolute favorite author! I've read all of the Red River of the North series and am thrilled to

me able to read about this wonderful family once again! I've missed them desperately.

Wonderful story, makes you think about our heritage, of hard working immigrants, and their faith and fortitude!

All I can say is...Lauraine, hurry and publish the next book in the "Under The Northern Skies" series!!!

I was excited to get this book and I love it! I can't wait to see what lies ahead for Rune and Signe Carlson in the upcoming books. Lauraine Snelling does not disappoint her readers! I have or read all the Bjorklund series so I did enjoy the connections mention in here. This series promises to be another great adventure. Thank you for continuing to give us an opportunity to love more of this family.

Love Love Love!!! The changes the characters went through was awesome. I couldn't put it down and was almost sad when the end came.... I didn't want it to end. Can't wait for the next book.

As usual, Larraine has captivated my attention with her new family and I could not put the book down until I finished it. Only problem now is I want to continue but there the wait is going to be hard.

Could hardly put down this book. Loved the storyline.

Great book!! As always i love Lauraine Snelling's books. Can't wait for the book #2 to come out.
