Frommer's Yellowstone And Grand Teton National Parks (Complete Guide)

Synopsis

Frommer's guidebooks, unlike those of many of our competitors, are written by local experts (not outsiders)â•like Elisabeth Kwak-Hefferan, a Montana resident, naturalist, and noted travel journalist. In this handy, pocket-size book, she'll help you sort through all the options, so you can tailor an adventure that's right for you. This guide contains:â• Insider advice on the best ways to experience some of the country's most dazzling natural landscapes, including tips on the best views, the best backcountry trails, the best scenic drives, and the best activities outside of the parksâ• Insightful commentary on park landmarks and specific trails, from the majestic Old Faithful Geyser to the iconic, multicolored Mammoth Hot Springs to the solitary Signal Mountain Summit Trailâ• Detailed practical information, including tips on safety, advice for beginning backpackers, and when and where to go to avoid crowdsâ• Opinionated write-ups of hotels, campgrounds, and restaurantsâ• no bland descriptions or lukewarm recommendations hereâ• Exact prices listed for every establishment and activity, so there's no guessing or nasty surprisesâ• Helpful maps throughout

Elisabeth Kwak-Hefferan is a freelance writer and editor who specializes in the outdoors, environment, travel, health, food, culture, and science. Her work has appeared in Backpacker, Grist, Organic Life, Women's Adventure, 5280 (Denver's city magazine), and more. She is Backpacker's Rocky Mountain Editor and a contributing writer for Grist.org. Elisabeth lives in Missoula, Montana, where the spectacular natural beauty is second in renown only to the staggeringly high craft

brewery-per-capita ratio (beer of choice: Kettlehouse Cold Smoke, if you're buying).

wife reviewed this to help plan our trip to Jackson Hole and Yellowstone and it was very helpful

This was a wonderful book to use throughout Yellowstone and Grand Tetons. Used it constantly along with the National Geographic Road Guide. Excellent resource!

This book was just perfect! Small enough to fit in the small backpack I carried, but so up to date and filled with good information. I thought the reviews for the different restaurants and lodgings were spot on, and I really appreciated the honesty about the difficulty levels and plusses or minuses of the top hikes. The drawings of the different flora and fauna, along with their description were a really nice touch---they gave just enough info so I could identify what I was seeing and understand a bit more about it, but not so much that I had to walk with my head buried in the book.

This is a great guide book, packed with helpful information and tips! I was happy it was updated just in time for my trip to Wyoming. It's the perfect sized book and was easy to place in my day pack, without weighing it down or taking up too much space. I had a great trip thanks to the info in the book.

I was able to plan a perfect Yellowstone vacation with this book. I also used a book called "Yellowstone and Grand Teton" by "lonely planet" which complements this one by providing additional tips and better maps.

Very helpful and useful trip guide.

great!
