# One Fish Two Fish Red Fish Blue Fish (I Can Read It All By Myself)

## Synopsis

“From there to here, from here to there, funny things are everywhere” . . . So begins this classic Beginner Book by Dr. Seuss. Beginning with just five fish and continuing into flights of fancy, One Fish Two Fish Red Fish Blue Fish celebrates how much fun imagination can be. From the can-opening Zans to the boxing Gox to the winking Yink who drinks pink ink, the silly rhymes and colorful cast of characters create an entertaining approach to reading that will have every child giggling from morning to night: “Today is gone. Today was fun. Tomorrow is another one.” Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning.

"Did you ever fly a kite in bed? Did you ever walk with ten cats on your head?" Such are the profound, philosophical queries posed in this well-loved classic by Theodor "Dr. Seuss" Geisel. While many rhymes in this couplet collection resemble sphinx-worthy riddles, Seuss’s intention is clear: teach children to read in a way that is both entertaining and educational. It matters little that each wonderful vignette has nothing to do with the one that follows. (We move seamlessly from a one-humped Wump and Mister Gump to yellow pets called the Zeds with one hair upon their heads.) Children today will be as entranced by these ridiculous rhymes as they have been since the

book's original publication in 1960--so amused and enchanted, in fact, they may not even notice they are learning to read! (Ages 4 to 8)

"[Dr. Seuss] has...instilled a lifelong love of books, learning and reading [in children]" - The Telegraph  
"Dr. Seuss ignites a child's imagination with his mischievous characters and zany verses" - The Express  
"The magic of Dr. Seuss, with his hilarious rhymes, belongs on the family bookshelf" - Sunday Times Magazine  
"The author... has filled many a childhood with unforgettable characters, stunning illustrations, and of course, glorious rhyme" - The Guardian  
"Dr. Seuss ignites a child's imagination with his mischievous characters and zany verses." - The Express --This text refers to the Paperback edition.

I have a young grandson who doesn't like being in the car for any period of time. This is great for him. He can look through the book as he's listening to the story and it keeps him occupied. And he's been introduced to Dr. Seuss in the process! The book is just as I remember Dr. Seuss books from my childhood and the CD is of good quality. Very crisp and clear in our car CD player.

Um, really? This is the Doctor. The master of Rhyme. The Sultan of Salubrication. If you don't have a copy for your child, your grandchild, the neighbor kid, and your dog, you should be ashamed.

This was one of my kid's favorite books during bedtime story time when they were little. So much so that I still have parts memorized, lol. Now my grandbabies love it. 

I loved this book when I was a kid. Love it even more when I read it to my grandson.

any book by Seuss is great for young and ESL students who are older.

Purchased for grandchildren because Dr. Seuss is awesome! Has been encouraging reading since it's publication. If I had more kids with kids, I would buy more.

A classic. My little one is already repeating along and anticipating the next line. Between the rhyming scheme and the illustrations this is a book we keep coming back to read.

My 2 1/2 year old grandson brings this book to me all the time!! He loves it and pretends to read it to

me as well.
