A Star For Jesus

Synopsis

Beautiful illustrations and playful rhyming text bring the story of Jesusâ™ birth alive for young children in A Star for Jesus. This board book, die-cut to enhance the shape of the star on the front cover, is a perfect gift to help little ones understand that "God made the stars and put them up high to shine down on earth from up in the sky." Crystal Bowman loves writing books for kids. Her books come in all shapes and sizes and many of them have become best sellers. Whether her stories are written in playful rhythm and rhyme, or short sentences for beginning readers, she tries to make them so enjoyable that kids will want to read them over and over again. "But the most important part," she says, "is to teach children that God loves them and cares about them very much." You can find Claudine diving the oceans with Technicolor fish, camel riding in the Sahara, trekking in a jungle populated with wild monkeys, or exploring the African savanna in search of huge elephants. Although adventurous, she sometimes gets scared when coming upon a giant spider or other scary beasts. At that time she heads back to the comfort of her studio, where she draws all the wonderful things she saw and dreams of her next visit to faraway lands.

Crystal is a wonderful author and the illustrations are simple and beautiful. We used this book with our grandkids ages 1-5 and it takes the focus off of Santa and getting presents. Perfect for pre-schools and church classrooms when you want Jesus to be the center of Christmas. Also promotes dialogue with the older kids about stars and the heavens displaying the majesty of God. Our oldest grandson enjoyed going further with space concepts and we were able to show him Bible verse Psalm 147:4 "God determines the number of the stars and calls them by name."

Cute rhyming story about Christmas. Perfect for explaining it to children! Will buy this again!

Bought this to have something to read to our kids (ages 4 and 19 months) before opening gifts on Christmas morning. This was perfect, not too long, nice illustrations, rhymed, and Biblically accurate. I think I'll make this part of our Christmas morning tradition.

Truth packed little book that is colorful and meaningful. I am very pleased with this purchase and plan to get the other Christmas board books in her collection.

I AM A COLLECTOR OF NATIVITIES, SO I LOVE ANYTHING THAT HAS TO DO WITH JESUS AND CHRISTMAS! A VERY CUTE BOOK THAT IS SURE TO BECOME A CHRISTMAS FAVORITE AT OUR HOUSE.

Love the message this author puts in her children's Christmas books! it's about Jesus, Gods present to us!!!

This book is doctrinally sound first of all. They have the wiseman coming not to the stable but to a house and Jesus is older(two or under) The art work is good, bright and very solid book for young ones. The other book she wrote is even better "J is for Jesus" which gives the salvation message in it. I liked this two books so much I wanted to buy my granddaughter and church kids the one for Easter she wrote also but I was not impressed with it. They have Jesus looking like a guru in a yoga stance. Words may be great but pictures esp to a small child speak way louder than words.

Good Christian based Christmas story board book. Fun pictures, nephew loved it!
