Comparative Criminal Justice Systems

Synopsis

Offering a comprehensive analysis, bestselling COMPARATIVE CRIMINAL JUSTICE SYSTEMS, 5e compares the various criminal justice systems throughout the world using six model countries: China, England, France, Germany, Japan, and Saudi Arabia. The book illustrates the different types of law and justice systems while exploring the historical, political, economic, social, and cultural influences on each system. It examines important aspects of each type of justice system--common law, civil law, socialist law, and sacred (Islamic) law--to highlight the similarities and differences of each. Completely up to date, it provides expanded coverage of such high-profile topics as human trafficking, Internet pornography, identity theft, transnational policing, terrorism and more.

He received his Ph.D. from Rutgers University School of Criminal Justice.

Great way to compare six major justice systems!

Pages of this textbook are missing. Some of the pages seemed to be ripped out of the end.

Well written and easy to understand.

All pages in tact, needed it for school great book.

It is very informative, but boring.

Poor condition!

The book came with wear and tear but it was still readable.

the book's condition is very nice!
