A beautiful written book for anyone experiencing a loss of a pet

I have purchased several of these books as gifts for people who have lost their dear pets. Such a lovely and gentle story with beautiful illustrations.

My niece died when my daughter was only 5. She struggled to come to terms with the concept of death, and to understand why her cousin had to die. Even more so, were her questions on what her cousin would do in Heaven. How would she live without her mommy and daddy? In our search to help her to understand a little better, a friend showed us this book. It was just the nudge she needed to move on, and accept that her cousin was not coming back, and was safe and well cared for in Heaven. Now, 3 years later, my daughter still loves this book. She now reads it to her new baby sister, and tells her all about their cousin in Heaven, and how she too, is taking caring of animals. I highly recommend this book to anyone who is struggling to deal with a loss.

I have had my personal copy for many years. It is a beautiful book. I purchased some extras to give

to people who have lost a beloved pet. I highly recommend this book

I received this book after losing my precious Spanky. He was a pet-therapy dog and a beautiful soul. This is surely a comfort for those who have loved and "lost" a furry loved one. I have given this book to others as well. The images are so heart-warming and beautiful as well.

I love this book. The illustrations are beautiful and the story is so sweet. I try to keep at least one copy on hand to give friends who have lost a pet. The book arrived quickly and was just as described.

Most beautiful children's (and adult) book ever and is an amazing book to help a family with the grief of losing a pet

Our young granddaughter had to have her old cat put to sleep recently, and this book is a lovely way to tell children feel better about the loss. The illustrations are lovely, and the captions soothing.
