Synopsis

[Contains some explicit content] Free for a limited time. Narrated by award-winning actor Martin Sheen, *The Home Front: Life in America During World War II* takes listeners into the lives of Americans at home who supported the war effort and sustained the country during wartime. The war brought immediate, life-changing shifts; from the rationing of butter, to an explosion of war-related jobs, to mixed-signals about the role of women in society. Feel what living in the United States was like for everyday people during this disruptive and uncertain period of American history in the newest Audible Original series.
