"-Long jokes and a new format since there's no one-liners in it. Beyond 5 stars!" "I haven't laughed this hard for 40 years!" "This is one of the funniest joke book I've ever read. It's definitely is the funniest golf joke book I've ever read. It's in my top five joke books." "Great book and I've told some of the jokes in mixed company and men and women laugh hard and loud." "Probably the best golf joke book on the market today." "Great book! Bill Murray quoted in it: The more relaxed you are, the better you are at everything, the better you are with your loved ones, the better you are with your enemies, the better you are with your job, the better you are with yourself." This book will make you laugh and relaxed. I enjoyed golf quotes, "I have to drink it slowly and not out of a can. I need some ice. I use to have 26-28 cans a day. Now I have 10-12 at most." - John Daly." ..I told the joke about the talking frog by the green and a buddy blew beer out of his nose he laughed so hard." "Some of

these are totally outrageous. Has a joke about a nun sticking her ass in holy water. It's bold and new and will make you laugh, I promise you!" "Tell the joke about fart football while waiting to tee up." .."..Great white elephant gift." "I gave it to my husband who travels a lot and he loved it and told me he was LOL on the plane...." "No short one liners in this book. Mainly stories you can tell. With golf quotes, "The most important shot in golf is the next one." etc. Enjoyed it. --This text refers to an alternate Paperback edition.

Bought this book as a gift but read it first. The jokes in here were hysterical and made me laugh out loud. Well worth the price and quick service.

ABSOLUTELY BRILLIANT - Keep them coming.

bought for someone else and they like it

Great read, golfer funny.

This was hardly "absolutely hilarious." Maybe if you are 10 years old and haven't ever heard a golf joke it might be fun to read. But no so much for me.
