Petrushka In Full Score: Original Version (Dover Music Scores)

Synopsis

Stravinsky's score for the ballet *Petrushka*, commissioned by Diaghilev for the Ballets Russes, was first performed in Paris in 1911 and was an immediate sensation with the public and the critics. It followed by a year the great success of his score for *The Firebird*, also produced by the Ballets Russes, and it confirmed Stravinsky's reputation as the most gifted of the younger generation of Russian composers. The ballet had begun in Stravinsky's mind as a "picture of a puppet suddenly endowed with life, exasperating the patience of the orchestra with diabolical cascades of arpeggios." Soon Diaghilev had convinced the young composer to turn the work into a ballet score. Benois was chosen to be his collaborator in the libretto, Fokine and Nijinsky became involved, and the bizarre tale of three dancing puppets — *Petrushka* (a folk character in Russian lore), the *Ballerina*, and the *Moor*, brought to life in a tragic tale of love — would soon become one of the most acclaimed and performed of ballet masterpieces. Brilliantly orchestrated, filled with Russian folksong as well as new and striking harmonies, alternately poignant and splendidly imposing, the score of *Petrushka* continues to be a popular subject for the study of tonal language and orchestration. This edition is an unabridged republication of the original edition published in 1912 by Edition Russe de Musique in Berlin. Printed on fine paper, sturdily bound, yet remarkably inexpensive, it offers musical scholars, musical performers, and music lovers a lifetime of pleasurable study and enjoyment of one of the most popular and acclaimed musical works of the twentieth century.

The leading composer of his day, Igor Stravinsky experimented with virtually every technique of 20th century music. Throughout his long and prolific career, he produced symphonies, concertos, choral works, operas, and ballets.

Perfect as I expected.

The Petrushka Full Score was ideal to study one of Igor Stravinski's first ballet music. It was very revealing but concise.

I absolutely loved this music book! I already own many of Stravinsky's other scores, so this was a long-overdue addition to my collection. I was very impressed with the speedy delivery time and was pleasantly surprised by the handwritten note from the seller thanking me for the purchase and the importance of buyer feedback. I had never seen this gesture of good faith from a seller before. I have already begun to dissect every single line of Stravinsky's music score; thus the life of a music major.Note to all customers: buy from this seller!

I bought this score to study for an exam. Then when reading the section of the "Russian Dance," I heard the orchestration much richer and transparent from the recording than it is on the score. It turns out that there is a revised version of this work by Stravinsky himself in 1947. I listened to couple recordings on Naxos music library and pretty sure that most of the recordings play the revised version published by Bossey & Hawkes's Petrouchka: Score (Boosey & Hawkes Masterworks Library). The instrumentation of the revised version is smaller and its orchestration has lots more details, such as articulations and economic uses of the textures. The revised version has

different rehearsal numbers and extra arrangement for the ending. Just be careful about which version you are looking for.

Full Score is what it is. Well printed. I follow the score with the CD and it's right on.
