Handwriting By George, Vol. 1

Synopsis

Each volume of Handwriting by George contains 27 or 28 entries from George Washington's noted book *Rules of Civility & Decent Behavior in Company & Conversation*. Each entry is printed on double-ruled paper for students to copy as penmanship practice. Opposite each handwriting page is a space for the student to depict the rule according to his or her own unique (and quite possibly humorous) perspective. While Washington's musings on etiquette and social interaction were originally written for young ladies and gentlemen of the 18th century, they are more than applicable to kids of today.

Book Information

Paperback: 64 pages

Publisher: Greenleaf Press (April 1, 2002)

Language: English

ISBN-10: 188251436X

ISBN-13: 978-1882514366

Product Dimensions: 8 x 0.1 x 10 inches

Shipping Weight: 6.7 ounces (View shipping rates and policies)

Average Customer Review: 4.0 out of 5 stars 3 customer reviews

Best Sellers Rank: #236,286 in Books (See Top 100 in Books) #45 in Books > Reference > Words, Language & Grammar > Handwriting

Customer Reviews

Cyndy Shearer received a B.A. in English (summa cum laude) from Queens College in Charlotte, NC, and an MA in English from the University of Virginia. She has taught elementary, high school, and college students, and has been a homeschooling mom since 1985.

My son did this book several years ago and his version was manuscript. I just ordered it for my second son and it has changed to cursive. I'm bummed that the description didn't include that. It's still a treasure though! My son is now 12 and to look back on his pictures has been fun. I'm hoping to find a manuscript version, however.

The kids can practice handwriting while learning some good quotes at the same time, which I think is much, much better than the random sentences most curriculum has you write. My son has a writing problem, and at 3rd grade doesn't do very well. Having handwriting practice has greatly

helped him, and although this book's handwriting is smaller than his other one, and more of a challenge for him, it is improving his skills greatly. He also enjoys doing it. My 6th grade daughter enjoys it much less, but I have her doing it more to learn the rules being taught than to actually practice writing....not that the practice isn't good for her too!

The book I ordered was just as the description of quality said it would be. I was happy with my order. This is a handwriting book, so I was happy to see there were no markings in it at all, in excellent condition, great price.!
