Customer Reviews

He's got a lot of bad reviews from school teachers and the rest of the common establishment, nobody seems to like him. - I like his sense of humor, - looking forward to another book from this author. More from Africa please! ...and a few more pics wouldn't hurt either.

I found this book to be informative and entertaining. He knows his subject matter well and his advice on how to stay safe in forgiven country is invaluable...interesting read mixed in with numerous

antidotes..author is certainly a character...

Mr. Scott has a great sense of humor and adventure. His colorful descriptions of life in Ghana made me feel like I was there! I think I will get a Motorcycle and try my luck in an equally dangerous local Chicago!!

This man, and the mere concept of this book are thoroughly disgusting. Peak example of white male American privilege and the seemingly ageless need for your kind to exploit. Parasite.

Great book read it cover to cover. Very adventurous and surprising, a must read prior to travel or while traveling.
