Dragon Captives: The Unwanted Quests, Book 1

Synopsis

Ten years after Alex and Aaron Stowe brought peace to Quill and ArtimÃƒÂ©, their younger twin sisters journey beyond the islands in this first novel of a new sequel series to *The Unwanteds*, which Kirkus Reviews called "The Hunger Games meets Harry Potter". Identical twins Fifer and Thisbe Stowe have amazing yet uncontrollable magical abilities. They're naturally more gifted than even their brother, Alex, the head mage of ArtimÃƒÂ©, could hope to be. But when they accidentally use their magic in the jungle of ArtimÃƒÂ© to strike down a beloved creature, Alex is furious and threatens to lock them away until they can learn to control their power. The threat is soon forgotten, though, when Hux, the ice blue dragon, comes to ArtimÃƒÂ© bearing the horrible news that his siblings have been enslaved by the notoriously evil Revinir, ruler of the dragon land. Seeking a chance to right their wrong and escape their brother's wrath, Thisbe, Fifer, and their friend Seth sneak away to rescue the dragons from grave peril. Will their untrained abilities be enough to save the dragons - and themselves - when they come face-to-face with the Revinir?

Customer Reviews

This series is spun as Harry Potter meets the Hunger Games and my daughter, who is a fan of both series, loves these books. They are appropriate for age 10 and up. I know highschoolers who love this series as well. Great YA read that is appropriate for younger kids too.

My son finished this in a day. He went from being forced to read to devouring books. He spent the

whole day reading on this one. I'm so grateful to this author for sparking something in my son to open him up to the joy of reading.

I loved this book! It was everything I needed for a long flight Back home Europe. I am a picky reader, and I normally only read fantasy books, so this was perfect! I cannot wait until the next book comes out! I will pre-order it and I will wait. I have a lot of waiting to do then!

My 10 year old son loves the Unwanted series. He was excited to get the Unwanted Quest book to continue in this world. These are appropriate for Grades 3 and up.

Great series for pre-teens! My 5th grader loved all of these. He previously enjoyed Harry Potter, Hunger Games, Lemony Snickett, & Sky Jumpers.

grandsons gift he loves this author really glad to have the service stand behind their products
