The Mystical City Of God: A Popular Abridgement Of The Divine History And Life Of The Virgin Mother Of God

Synopsis

A highly successful abridgment of the monumental 2,676-page 4 vol. life of the Blessed Virgin Mary, as seen in mystic vision by Ven. Mary of Agreda (1602-1665). This book overflows with enthralling information about Our Lord and Our Lady, about the creation of the world, the meaning of the Apocalypse, Lucifer's rebellion, the location of hell, the hidden life of Jesus, etc. Reveals that St Joseph ate meat, but Our Lord and Our Lady seldom did. Makes Christ's hidden life really come alive. Acclaimed by the Popes, cardinals and theologians - one of the greatest Catholic books ever.

Customer Reviews

I have always had a natural devotion to the Immaculate Heart of Mary and have made the St. Louis de Montfort consecration to the Blessed Virgin Mary. However, I much shamefully admit that prior to reading The Mystical City of God, I knew very little about Our Lady. This book has literally changed my life. Each chapter is jaw dropping as it fills in all the details of Mary's early life.

I am pleased to have this book. There is so much to learn . Thanks.

Excellent book so far. Still reading it.

Outstanding book which I would recommend to everyone!

yes

If you want to read the actual life of Mary - this is the book for you. It isn't just another biography of our Blessed Mother written by authors who think they know the story only from reading the Bible, etc. These events are true as dictated by the Blessed Mother herself to the Venerable Mary of Agreda. Throughout the book the Blessed Mother explains how she and Joseph travelled to Bethlehem, their escaped to Egypt, her visit with Elizabeth, the Mag, the Circumcision, her following Jesus on his way to be crucified and much, much more. You will truly enjoy this book!

This book is an abridgement of a very large work, written by the Venerable Mary of Agreda in the sixteen hundreds, in Spain. She was inspired by the Blessed Virgin Mary and told by her to write down everything which Mary told her on the many occasions in which Mary visited her. It was originally written in Spanish and translated. It is the history of the life of Mary and Jesus as well as of the precepts of Christianity. It is very well worth the reading.

Long and slow because you do not want to miss a word
