Women Of The Old Testament (Lifeguide Bible Studies)

Synopsis

They were ordinary people. Most would not make headlines in any other history book but God's. Yet the women of the Old Testament made critical choices that led to extraordinary outcomes. Through faith and strong character, they rescued their families, led people out of bondage, gave birth to kings and even saved a nation. As you explore with Gladys Hunt the stories of twelve Old Testament women, you will come to understand the far-reaching consequences of your own everyday choices and actions. Now available in IVP's revised LifeGuide Bible Study format, *Women of the Old Testament* features questions for starting group discussions and for personal reflection, as well as a new "Now or Later" section following each session.

Gladys Hunt is a freelance writer based in Grand Rapids, Michigan. She worked for many years, often alongside her husband, Keith, as a volunteer in student ministry with InterVarsity Christian Fellowship. Her many books (more than twenty!) include *Honey for a Child's Heart*, *Honey for a Teenager's Heart* and *Honey for a Woman's Heart* (all Zondervan) and several titles in the *Fisherman Bible* study series published by Waterbrook Press.

I was looking for a Bible study to use with those who are new to Bible study, but follows the text of the passage. There aren't many out there suitable. But this study is exactly what I wanted and is a

doable length for homework - takes about 45 minutes to complete each week. It also gives a little background information. I'm looking forward to using Women of the New Testament next.

I have had the joy in my lifetime, to have known the authors of these books, have appreciated their walks in faith. They have been of great encouragement for me in learning to "walk by faith", to gain a deeper experience, as I spend time in my Bible. Gladys, known to her friends as "Rusty", was one of many friends, who were a gift from God, to me. She has now entered her heavenly home, the place she longed for over the yrs.

I use this for a class at church. It only takes about 30 minutes. I feel that we learn from it and the questions also help you gear it towards you life today. Perhaps it could go a bit deeper. However, on some of the women that would probably be harder.

useful for our bible study group

I HAD HOPED FOR A BOOK THAT PROFILED EACH WOMAN OR WOULD GIVE REFERENCES. I WAS PLANNING ON USING IT FOR PROGRAMS. ALL IT HAD WAS QUESTIONS TO DISCUSS, WHICH WAS O.K., BUT NOT WHAT I WAS WANTING.

I am teaching a bible class on this topic and have found this little book to be a very valuable resource. Especially in the area of thought provoking questions to present in class on each woman.

Very simplistic study. Quick and easy. Good for new believers or someone who doesn't need an in depth study. Answers in the back add great insight.

This was a gift for my Aunt who is a minister, she said it made her think about her using her words more carefully.
