As A Man Thinketh - 21st Century Edition

Synopsis

As you think, so you are. As you are, so you act. As you act, so you attract. Often called the greatest self-help book of all-time, *As a Man Thinketh* reveals how our thoughts determine our character, circumstances, health, appearance, and achievements. The choice is ours: either master our thoughts to create the life we want, or remain mired in frustration and failure. While James Allen's writing was exceptionally clear for its time, *As a Man Thinketh* - like any 100-year-old book - uses archaic language that can be difficult to grasp. This 21st-century edition rephrases James' ideas in contemporary English, making his wisdom available to today's listeners.
