Battle For Mesrath: A LitRPG Adventure: Grottos And Vixens, Alpha Elf Book 1

Synopsis

Magic and Fantasy is just a click away. Every day John Simpson logs onto the hottest, most controversial Virtual Reality game on the market, Grottos and Vixens. When his friend Betty asks him to teach her to play, he obliges, taking her into the epic world and promising her an adventure of a lifetime. Upon entering the game, he quickly notices something has gone terribly wrong. The Elven City of Mesrath is now under attack. And for the first time ever, humans and orcs are fighting side by side. As they set out to find the source of the trouble, they both come to realize the harsh reality of what will happen if they fail in their quest, and what will happen if they succeed. Battle for Mesrath is the first book in a fantasy adventure saga, with character level-ups through training, a diverse range of characters and a compelling storyline. Not for the faint of heart, Battle for Mesrath promises a most exciting ride.
