Customer Reviews

"Musgrave walks readers through the months of the year, connecting a parent's love for a child to various seasonal occurrences...There's no missing the steady, comforting message...Melo's illustrations...have a rich warmth and texture, from the craqueleur of a violet night sky to cozy scenes of around-the-year friendship between a frizzy-haired girl and her fuzzy brown teddy bear." (Publishers Weekly 2014-04-04)"A parent or other loving caregiver proclaims love for a child in a series of couplets that invoke the beauty of each month of the year. The smooth verses cleverly use the distinctive features of each month to describe the love the parent has for the child...The detailed, realistic illustrations depict an adorable, curly-headed little Caucasian girl exploring the outdoors with her trusty teddy bear at her side...This celebration of love and life will no

doubt be enjoyed by doting new parents and their not-yet-mobile infants." (Kirkus Reviews 2014-04-16)"A sweet board book that narrates a parent's love for her/his child over the course of one year...The illustrations are joyful, bursting with movement and stunning contrasting colours...Babies will be lulled to sleep by the gentle rhymes, and toddlers will have fun learning about the various critters that appear in the story as the seasons change. Love You More is sure to become a much-read bedtime favourite." (CM Magazine 2014-04-11)"A beautiful book ...illustrated with vivid bright colours in a combination of realism and playfulness...Ultimately the text is about love, the timeless, limitless love between parent and child. Sharing this book aloud with baby conveys the cosiness and safety of that love, as well as the love of language, the love of nature and the world around baby...Highly recommended." (Resource Links 2014-06-01)"Melo's illustrations are wonderful...The colors are soft and the little girl at the center of the story is darling. Readers will be encouraged to make up their own special ways their little ones are loved." (Southwestern Ohio Young Adult Materials Review Group 2014-07-10)

A love song for baby to last all year.

This is a colorful and well illustrated book! I love its message and how it tells the story with an easy to read rhyme and rhythm My daughter and I have used the "love You more" saying for a long time now and so I bought this book to give to her as an adult--I had never seen it before!I can't wait to give it to her for her bday and hope that some day she can use it with her children!

Love this book!! Illustrations are beautiful!

Bought it as a gift and it was a nice surprise for my friend.

My daughter & I love this book!!!!

I love telling my daughter I love her more and this book was perfect.

Love You More was given to me by a friend who is studying to be a librarian and it has become part of our daily routine. This sweet book weaves through the months of the year with a tale of a parent's love for their child. The rhythm of the poem is gentle and soothing, making this a perfect book before a nap. The illustrations are beautiful and it has just enough sentiment without

causing me to dissolve into a puddle of emotions. Basically, it's an all-around winner!

I was given this book over a year ago at my baby shower. This book is special, it is poetic, the illustrations are beautiful, Baby and I can't get enough of it :)
