Bald N Dashing!: Hair Loss By Chance, Bald By Choice!

Synopsis

Finally, the PERFECT gift for dad or your husband. If they're starting to look like they're thinning on the top of their head, this book offers the solutions necessary to move forward and get on with life. Pick up a copy for dad and watch him gain more confidence overnight with the ideas and thoughts Cameron M. Clark shares in these pages. If you're considering this book for yourself, just remember this, you didn't choose to lose your hair. And yet, there is a barrage of media messages that are coming at you every day trying to make you feel ashamed with this development. These commercials and Internet ads use balding, usually pudgy middle-aged men who look into a mirror obsessively to convey the shame you should be feeling about your hair loss. Well, enough is enough! Enter *Bald n Dashing: Hair Loss by Chance, Bald by Choice!* By taking an hour to read this book, you may save yourself thousands of dollars and years of regret, embarrassment and frustration over adopting certain hair regrowth methods or hair restoration procedures that will just lead to more sadness and disappointment. It is time to no longer feel shame about going bald. It's time to get over the *bummer of hair loss.* After completing three books in 'The Great Big Quote Books' series, author Cameron M. Clark thought there were too many books and Internet articles shaming men for the natural process of hair loss. That's why he wrote *Bald n Dashing!* Losing your hair isn't a problem. It's a blessing. Being Bald n Dashing is about taking a kick butt approach to your life and your relationships and saying, *'yeah, I'm losing my hair. So what? You got a problem with that? Well, stop wasting my time!* Join Clark as he explores the *7 Benefits of Baldness,* *8 Things to Avoid as a Bald Man,* *18 Actions to Take as a Bald Man* and so much more! Filled with examples of successful entertainers, athletes, entrepreneurs and more who have chosen to become bald by choice, the author explores their lives and recounts his own experience with hair loss and the eventual decision to become bald by choice. You may not have had a choice in losing your hair, but you do have a choice in living a more satisfying and happy life. Choose to be Bald by Choice! Choose to be Bald n Dashing!

Customer Reviews

This book was not only entertaining and a great read, but also has practical advice for those who are struggling with any kind of hair loss. The author shares personal experiences with tips on being confident and savvy with your new found baldness wether it be naturally or by choice. I thoroughly enjoyed this book and highly recommend it!

Loved every minute of it.

This is a great, easy read with alot of good advice and tips for anyone who is at all worried about their impending hair loss. The author takes a light hearted approach to addressing some of the most serious concerns normally held by those losing their hair. This approach is very helpful in helping the reader see that there is no need to be held hostage by such worries. He then proceeds with some very viable alternatives to fighting hair loss, instead encouraging the reader to embrace it, giving many good suggestions on how to do so. I would definitely recommend to anyone dealing with this issue. It will provide some basic info on the so-called hair loss remedies that are out there and provide many great reasons why you should consider joining the movement of men who are taking the simpler, yet more proactive approach to balding.
