Prague Self-Guided Walks: The Jewish Quarter

Synopsis

If you like to venture into a new city on your own, this walking guide will help you do just that. In this self-guided tour of Prague's Jewish Quarter (Josefov), unique in the Jewish history of European capitals, Krysti Brice shares her expertise and knowledge of the city. Home to one of Europe's oldest synagogues and the poignant Old Jewish Cemetery, Prague's Jewish Quarter is the most visited of any in Europe and contains Prague's most visited museum, the Jewish Museum of Prague. Krysti also adds a personal touch to what you'll see as you get lost in time wandering through the Jewish Quarter's medieval streets. A student of both art and Czech history and a resident of Prague for two decades, Krysti is also the author of the popular "Prague Travel Tips: An American's Guide to Her Adopted City," "Prague Self-Guided Walks: Old Town" and "Prague Self-Guided Walks: The Lesser Quarter."

Krysti Brice, a native of Macon, Georgia, and a graduate of New York University, is a former CPA and investment banker who began her career at Deloitte in New York City. In 1992, she moved to Prague where she continued her work at Deloitte as an adviser to the Ministry of Privatization. While in Prague, she joined the World Bank and was based in both Prague and Washington, DC. After three years in Washington, she returned to Prague in 2000, where she now works as an author, mentor and guide to the city.

Great book- excellently written! Feels like you're getting information first hand from a freind

There were some very helpful tidbits but also a lot of "filler"--not really enough content even for a short book.

While visiting Prague, one of the things we most wanted to see was the Jewish quarter. Prague has a rich Jewish history, and the oldest synagogue still in use in Europe so I was excited to learn more about it. We tried ahead of time to book a private tour, without any luck, so we turned to to find a guide where we discovered Krysti's books. Her guides are full of great information, suggesting a logical order in which to see the sites, and they have lots of background in a succinct and charming prose style. We loved her conversational style and felt almost as if a friend were giving us advice. We were absolutely delighted to find her contact information in the back of the book and discovered that she also gives private tours at a reasonable rate. We used the Self-Guided book for the Jewish Quarter, which worked great, and we also booked a private tour with Krysti for other areas of Prague. We are happy to report that Krysti, in person, is every bit as knowledgeable and charming as Krysti the author. Her books and tours made our trip to Prague much more memorable and we learned so much more than we would have if we had just wandered around on our own.

This is a great guide to the Jewish Quarter in Prague. The walk is super easy to follow and the book is really informative about this evocative area of the city. I would definitely recommend this book (as well as Krysti's amazing tours!) if you're visiting lovely Prague!
