Knock Knock is an independent maker of clever gifts, books, and whatever else we can think up. Our mission is to bring humor, creativity, and smarts to everyday life. Say something more with #knockknockstuff.

LOVE THIS! If you're a mom to a son, you already know you're going to cry thinking back on the memories. A couple of tips. Don't do this in a hurry. I made that mistake and didn't think out my responses. I still wrote good things, but after I thought of other/better things I could have written. Secondly, it is geared towards a middle to high school boy I think. My son is 19, and although I mush and gush all over him (and he just HATES it), some of the questions are a bit juvenile. Last, if your son is really young you might want to wait. You won't have the appropriate experiences of some of the questions yet to fill in a good answer. For example, One of the questions says "I like doing \_\_\_\_\_ with you when \_\_\_\_\_. Well, I guess if you have a baby you could say,

I like feeding you when your hungry? See what I mean? And the responses will make you think, so again, give yourself a few days. Read through the book and think about your answers. I wish I had.

This was the best birthday card EVER!
