Customer Reviews

My granddaughter is very much into the little mermaid right now so she had a mermaid themed gift from us, this book included. She loves it. I am sure she will have the young lady who babysits for them occasionally read it to her too.

Cute story. Appropriate for 3 and 4 year olds.

So cute!!

My sister in law brought this home from a cruise for my 3 year old daughter. She knows he princesses, prefers powerpuff girls though. She LOVES this book anyway. She loves finding Melvin on the different pages. She also likes imitating Ariel and laughing with her hand over her mouth ;D

love it
