The Bar Exam Memorization Book

Synopsis

This unique bar exam supplemental study guide contains a comprehensive and well-ordered concentration of mnemonics, acronyms and other memorization tools to help you retain the vast wealth of information that is the Multistate Bar Exam. The memorization device often connects with the subject rather than the usual random variety, increasing the effectiveness of this tool in a way not seen elsewhere. Includes all Mbe (not state-specific) subjects: Constitutional Law, Real Property, Criminal Law, Criminal Procedure, Evidence and Contracts, Torts. It is a extremely useful supplement to your basic study materials and outlines (try downloadable version to save!).

Customer Reviews

There are so many books to help you prepare for the Bar exam... Personally, I did not find this particular book very helpful; however, it may have more value for other people, if they need memorization help...

Really useful, I am still working my way through the courses. The memotechnics are easier than bar review courses (at least in property)

Total waste of money. Cannot recommend.
