## Customer Reviews

The most practical, authoritative guide to GAAP Wiley GAAP 2017 contains complete coverage of the Financial Accounting Standards Board's (FASB) Accounting Standards Codification (ASC), the source of authoritative generally accepted accounting principles (GAAP). Wiley GAAP renders GAAP more understandable and accessible for research and has been designed to reduce the amount of time and effort needed to solve accounting research and implementation issues. The 2017 edition reflects the new FASB guidance on: Revenue recognition Leases Business combinations Pensions Financial instruments And more than 17 other new FASB Accounting Standards Updates Providing interpretive guidance, analytical explanations, graphic tools, and more than 300 real-world, examples and illustrations, this invaluable guide offers clear, user-friendly guidance on every ASC Topic in the Codification. Offers insight into the application of complex financial reporting rules Contains a detailed index for easy reference use Includes comprehensive cross-referencing to the FASB codification system, making it efficient for you to perform in-depth research As a bonus, a comprehensive disclosure checklist offers practical guidance to preparing financial statements for commercial entities in accordance with GAAP. For easy reference and research, the checklist follows the order of the codification. With easy-to-access information, this reliable resource offers complete coverage of the FASB Codification. --This text refers to the Paperback edition.

ok

Fantastic text for a great value. A must add for any accounting professional. Lots of examples and easier to read than FASB. Kind of the Cliff Notes of accounting literature if you will.

What do you expect from an accounting tome? All the latest rules are here. I use it when I'm unclear on something. This book kicks aass. Get it? Ha ha ha ha.

Excellent book for learning US GAAP.
