Harper's Bazaar: Models

Synopsis

You know them by their first names: Christy. Naomi. Linda. Kate. Gisele. Their faces are unforgettable. They are supermodels, and the pages of Harper's Bazaar are their stage "and the stage for fashion's biggest names. Harper's Bazaar: Models gives an exclusive look at the top models that have graced the magazine for the last sixty years. Harper's Bazaar editor at large Derek Blasberg has selected twenty-eight women for this book from the publication's rich and diverse history: iconic beauties from Suzy Parker, Dovima, and China Machado to Iman, Patti Hansen, and Cindy Crawford "plus new stars such as Lara Stone, Hilary Rhoda, and Lily Donaldson. Alongside essays written by Blasberg, who is a friend and confidant to many of the models, are more than 200 stunning photographs shot by leading photographers including Richard Avedon, Francesco Scavullo, Patrick Demarchelier, Peter Lindbergh, and more. Filled with revealing anecdotes and images from the archives, Harper's Bazaar: Models is a celebration of the gorgeous women who have lent so much inspiration and beauty to the pages of this visionary magazine."

A beautiful book with smart insightful interviews by Derek Blasberg. If you follow him or read his writings, this book is up his alley. Loved it

I really enjoyed this beautiful book! I appreciated the talented photographers who just worked magic with their subjects! A perfect gift for anyone!

Wonderful book on Bazaar's models with quality photo reproductions.

beautiful book

Mine came shipped brand new wrapped in plastic. But starting on page 97 it looks like two machine parts dug into and through the page, resulting in denting multiple pages thereafter. I'm getting a replacement shipped at no cost to me. Update: my replacement wasn't shipped properly for it's weight and got damaged, top and bottom of spine dented. I called and they Fedex'd me a new copy, that I got the next morning! :) And they gave me a partial refund! This copy was fine. rocks! It will be a great addition to my fashion coffee table books. Very please with the profiles of each model. Beautiful photos. Well done.

Amazing book!
