The book was ok a little worn but still in a decent condition and i am able to use the book to its full potential. No rips or tears or pages marked up none that i've found so far.

Good textbook too bad my teacher didn't use it

Great for my daughters college course

Met my expectations for my class.

I never even used this book due to my class being dropped for the semester. When I wanted to return the book to get my money back, it didn't look like it was possible in any way. Very disappointed that I had to waste \$50 on a rental I never used.
