The Translation Of The Meanings Of Sahih Al-Bukhari: Arabic-English (English And Arabic Edition)

Synopsis

Generally regarded as the single most authentic collection of Ahadith, Sahih Al-Bukhari covers almost all aspects of life in providing proper guidance from the messenger of Allah. This 9-Volume Bukhari is the work of over 16 years by Imam Bukhari who before writing any Hadith in this book performed two Rakat prayer of guidance from Allah and when he was sure of the Hadith's authenticity, he wrote it in the book. Tremendous amounts of errors exist in the translations by other translators. To eliminate the problem Dar-us-Salam spent over 3 years in the publication of this book and presented a book which is translated into English in a very easy & simple language, so that all readers can understand it without difficulty. This is the unabridged version consisting of 7563 ahadith (about 4000 pages) which are presented neatly in smaller books format and printed on super-fine paper. Each book (subtopics in each volume categorized by very broad topics such as the Book of As-Salat) contains many chapters which represent one logical unit of Ahadith. Each book contains anywhere from one to 150 chapters with each chapter containing several Ahadith. This book will be a great addition to your library while giving you a true perspective on the traditions of the Prophet (pbuh).

Biography of Dr. Muhammad Muhsin Khan Dr. Muhammad Muhsin Khan was born in the year 1345 Al-Hijri, in Qasur, a city of the Punjab Province, in Pakistan. His grandfathers emigrated from Afghanistan escaping from the wars and ribal strifes. Dr. Muhammad Muhsin belongs to the famous

Afghanese tribe AlKhoashki Al-Jamandi. The residence place of his tribe was the valley of Afghastan south east of the city of Kandhar (Afghanistan). He had most of his education in that city, then he continued his education till he gained Degree in Medicine and Surgery from the University of Punjab, Lahore. Then he worked in the University Hospital in Lahore, after that he traveled to England and stayed there for about four years, where he got the Diploma of Chest Diseases from the University of Wales. Then he worked in the Ministry of Health, in the Kingdom of Saudi Arabia. He came during the period of late King Abdul Aziz A'l-i-Saud. He stayed in the Ministry of Health for about 15 years, most of that period was in At-Ta'if, where he worked as the Director of El-Sadad Hospital for the Chest Diseases, then he moved to AlMadinah, where he worked as a Chief of the Department of Chest Diseases in the King's Hospital. Then lastly, he worked as the Director of the Islamic University Clinic, Al-Madinah. Allah (glory is to Him) helped him to share with Dr. M. Taqi-ud-Din Al-Hilali in the translation of the meanings of the Ahadith of the Book Sahih Al-Bukhari and the Book Al-Lulu wal Marjan and the meanings of the interpretation of the Qur'an into the English.

A meaningful reference in my efforts to understand Islam. The full version is apparently about 12 volumes, and the summarized edition was certainly sufficient to enhance my knowledge about the hadith literature. This goes beyond the Koran into the sayings of Muhammad, so it really helped me to understand another one of the "foundations" of Islam.

Great collection of ahadith from Bukhari. I like how it separates from the repeated traditions, so it is a pleasure to read.

Alhamdulillah, I received this within almost no time of ordering it. I thank you for the quick shipping and reasonable price. The Hadith of the Prophet, peace be upon him, is so important, and I hope you are rewarded for making this knowledge available to me. Darusalaam publications are so solid and a blessing to western reverts like myself. Jazaak Allah Khair!

Outstanding quality book for the price. I was concerned that at this price the quality may not be too good. It was excellent! Great product!

Mashallah. I am glad to have this book in my posession. It was in amazing shape and had obviously been well cared for.

For about forty years I have owned and used the nine (9) volume set, which is unabridged. However this "summarized" version is very convenient for transport.

Excellent information from the Companions of The Prophet Muhhamad PBUH. A must have for every Muslim and Non-Muslim. There are moral rulings, fiqh, The Oath/ Shahadah, very informative detailing a complete way of life.

If you want to go to the source and read what Islam is all about it, this is an excellent start.
