Customer Reviews

requested by the trumpet instructor and the price couldn't be beat.

Great book containing challenging music for the student player

wonderful

Good.

Good product, just as advertised & shipped very fast

Great book

As a college student and a pro this is great for students, pros, teachers and enthusiasts alike. Amazing collection of progressive solos and they are fun to play.

A very potent musical read for intricate styles: andante, allegro, and maestoso. A great selection for solo etudes and music courses for music majors; recommended for clarinets as well.
