Just gobbled up all the Goon libraries. Where have you been all my life? Funny, irreverent and beautiful to look at, but enough about my wife, this book was awesome.

Picked up this book because it was recently turned into a roleplaying game for the Savage Worlds system and I wanted to see what it was all about. The Goon is a fun, crazy setting with tough-guy protagonists, zombie antagonists, and a giant spider who hangs out at the corner bar and plays poker. Picking up the library volume was a good move on my part, and I'm looking forward to getting volume 2 in the future.

What a killer price for the first massive volume of the HC Goon library. This thing is big! And beautiful. Collects many books and is a good size to read.

This is a big, heavy book! Such a great deal for anyone who loves the Goon! I don't know of a cheaper way anyone could read all of these!

Big and heavy enough to smash some zombie skulls.

Enthralling, funny, unique from any other comic I've read in its only special way. KNIFE TO THE EYE!

It's perfect. I love the goon and I love this volume. I have 1,2,and 3 now.

Incredibly good comic. Hilariously written with some of the best art out there. You will not be disappointed.
