Cold Backed (Show Jumping Dreams ~ Book 36)

Synopsis

With the Halloween ride a success and everyone praising Second Chance and Sand Hill farms at their ability to put on such a great event, Emily and Hanna are feeling pretty good about themselves. They are riding high on the fact that everyone is telling them they did a good job and even Mr. Eastford seems grateful that his daughter was returned to him safe and sound. So grateful that Jordan was able to buy Winter, the gray Thoroughbred that Emily had been longing to rescue from Jessâ™s barn of torture. There is only one problem. Every time she tries to ride the horse, he bucks her off. She knows sheâ™s doing nothing wrong but itâ™s frustrating to keep flying through the air every time you put your foot in the stirrup for no good reason at all. Emilyâ™s father thinks Winter might be cold backed, an incurable problem that can be worked with but will be a lifelong struggle. Emily is out to prove him wrong. And there are two big shows this month. Important rated shows where Bluebird and Arion must do well. One is close to home but the other is out of the state requiring Emily to leave the rest of her herd behind. And despite her father promising to tell her everything about her sister, heâ™s now gone back on his word and Emily still canâ™t bring herself to go into that cemetery and see for herself if her sister is really buried there. But you canâ™t bury the past forever and eventually the truth will come out. Emily just isnâ™t sure when.

Love Claire's SJD series. Always lessons to be learned. She just doesn't write them FAST enough!
:-)

Another good read from Claire Svendsen!

very enjoyable

Mystery and Excitement. Great book!

suitable for a chapter - not a book. Superficial with little understanding of horses or people.

Emily and Hanna get praise for the Halloween ride... Jess was returned home safely and Mr. Eastford was so happy that he allowed Jordan to buy Winter for Emily... Emily now has three grays: Arion, Four and Winter... Emily is still obsessed with proving that she is better than Jess... A show day arrives and Emily takes Bluebird, Arion and Sunny... Hanna takes Hemi and Felix... Emily thinks Duncan is not being fair... Jess is having unusual results riding two new horses... The show ends with a surprising outcome... Emily presses her father to tell her about Summer... Emily decides she cannot let guilt and fear define her... Emily wants to take Bluebird, Arion, Winter and Four to the next big rated show... She does something nice for someone because it feels like she is doing the right thing... Emily and her father go to a big weekend competition and she is very sick with a high fever... Emily's dad disappears at the show and she cannot find him... After she is done riding for the day, Esther takes Emily to the hospital...Kindle Unlimited Member

I'm truly enjoying following this series. The equestrian content is accurate, and we struggle with Emily and her father as they preserve in this tough world of show jumping on the Florida circuit. Emily is continuing to mature and in this book we get some more glimpses into the friends and family who loyally support her. Great writing, and not just for YA readers.

This is a GREAT young adult series for horse lovers! I'm no longer a YA, but enjoy them just as

well. Maybe Emily's character is finally starting to grow up a bit.
