Conversations With Jesus - 365 Daily Devotions For Teens

Synopsis

Have you ever wondered what Jesus would say to teens if He could email or text them every day? God never intended for us to journey through life alone or without direction, and Conversations with Jesus: 365 Daily Devotions for Teens is the perfect tool for every teen who desires to know more about Jesus and what the Bible says about any life situation. Through a collection of encouraging, quick-read messages written in Jesus's first-person voice, Conversations with Jesus helps teens turn "religion" into a real "relationship" with Christ. Each day, students ages 12-18 are guided toward a closer walk with their Savior through a full year of carefully selected scripture passages and relevant applications that are trustworthy, practical, and action-oriented. Through Conversations with Jesus, teens will:

- Develop a closer, more personal relationship with Jesus
- Be encouraged through tough times
- Discover how to handle difficult people
- Develop a clearer sense of God's will for their lives
- Learn how surrender leads to joy regardless of one's circumstances
- Understand how the Bible applies to daily life
- Become equipped to encourage others
- Become more comfortable with prayer as a response to Jesus

Conversations with Jesus: Daily Devotions for Teens takes the guesswork out of discipleship with a collection of encouraging messages written in Jesus' first-person voice and designed to capture the fleeting attention of today's youth. This book contains a full year of carefully selected scripture passages and relevant applications that guide students toward a closer walk with their Savior. These short devotions will help pre-teens and teens develop the daily habit of reflecting upon the Word of God, conversing with Jesus, and to recognize the relevancy of scripture in everyday life. Jesus is waiting to talk with you today, and He's already prepared a message just for you. Are you willing to open it?" Our students find the subject matter covered in Conversations with Jesus: 365 Daily Devotions for Teens relative to where they are... They want action steps in a devotional, things to think and pray about." - Bobby Gatlin, Minister to Students - Johnson Ferry Baptist Church

"Teens are looking for someone to listen to them, not judge, and the devotions in Conversations with Jesus are really set up to encourage a relationship with Christ as a loving Lord. And because they can receive the content digitally, students are more likely to fit quiet time into their daily life." - Debra Poston, Student Group Leader - Johnson Ferry Baptist Church.

Customer Reviews

I bought the book because I liked the pages I was able to see; my 16 year-old daughter tells me this book makes her feel like Jesus is her best friend and speaking directly to her heart.

This book is amazing. It fee poo s like Jesus is actually talking to you and has the solution to just about any problem a teen could have. If your just getting to know Jesus this is a perfect place to start

Bought this for my teenage son for a daily devotional. It is wonderful. Biblically based, and a teenager can completely relate to each days devotion. Includes a scripture to match and a prayer at the end. He looks forward to reading it everyday- I would recommend this as a wonderful devotional for a teen!

Great book for 12 year old boy

Purchased this for six of my grandchildren's Confirmations. Have had only positive feedback from

each of them. I know for a fact they read it daily and often text me to share a thought or passage that particularly resonated with them. Beautifully done!

My granddaughter loves it! Devotions are short and appropriate and to the situations teens face as they try to live daily for God! The encouragements to live Christlike lives through God's power is right on point!

I purchased this for my 14 year old nephew. The devotions are short and to the point. They are very creative and the "conversation" parts are wonderful ways for teens to learn to talk to Jesus or even deepen their prayer time.

An excellent resource for my grandson. The size of the book intimidated him until he actually read the first day and realized how short it was. The points are meaning to youth but adults as well.
