I was thrilled and inspired as I looked through the pages of this coloring book, every illustration is imaginative and artistic, many of the patterns and designs are complex and intricately detailed, sprinkled throughout the book are simpler whimsical illustrations with soul stirring biblical verses incorporated in surprising ways. At the end of the book are 16 additional pages of gift tags, book marks, note cards and small cards to color and cut out. This is a wonderful coloring book to add to your coloring library, or to give as a gift and it adds another element to the coloring experience with its uplifting messages of faith. Grab your colored pencils, markers or pens and this book when you need to slow down from the hustle and bustle of our fast paced world. Coloring for even a few minutes engages the creative side of your brain, replaces the stress with a feeling of calm and a sense of well being, add to that an uplifting message of faith and you will feel revitalized. 1. This 62 page 8 1/2 x 11 inch thick book includes: 50 coloring book pages, 29 gift tags on 4 pages to color and

cut out, 16 book marks on 4 pages to color and cut out, 3 note cards on 3 pages to color cut out and fold, 6 small cards to color and cut out.2. 20 inspirational biblical verses have been incorporated into these artistic illustrations and sprinkled throughout this coloring book.3. This coloring book is a well made coloring book, the cover is heavy cardstock and each page is good quality heavy paper, printed one per page (the back of each page is left blank) on bright white paper.4. Each page is perforated for easy removal5. With Fiskars Gel pens and Staedtler Triplus Fineliners & Fibre Tips there was very little bleed through but a page should be put under the page you are coloring to prevent damage to the next picture.6. Most of the illustrations are very detailed, some are simply detailed whimsical illustrations with uplifting verses, some are full paged meticulously detailed patterns and designs.

I've been looking for an adult Christian coloring book, but most only have 30-50 pages. Since we are on a tight budget I thought I'd give this one a try, and wow, was I impressed! The weight of the paper is probably 80lb cover and the pages tear out nicely. For the price I expected thin, flimsy pages, so this was a pleasant surprise! In the back of the book they also have personalized cards & bookmarks to color/decorate. Nearly 200 pages in all!**Note: If using markers, make sure you buy both fine tip & ultra fine tip for the small details -- and tear the page out and place cardboard under it. The paper is so thick I don't think you'd have to, but it's better to be safe than sorry! My husband & son saw me coloring and they joined in too-- great family activity or solo de-stressing hobby!! I turn on my Christian worship music & colored pencils, and the cares of the world just melt away! I'd recommend this to all my friends & family.

I'm in love with this book! I have several adult level coloring books and this is my favorite. I love that the pages are printed on one side and perforated for easy display. I also love that there are several pages in back of cards and gift tags. There are pretty pictures throughout that just call for me to color them and some have wonderful quotes or scriptures integrated in the design.

I bought this book because the cover caught my eye. I am so glad I did. There are about 50 pages to color, then there are cards, gift tags, and book marks to color cutout and fold. The paper is very good quality (thick). The pictures are all on one side of the book. Some of the designs have nice inspirational quotes on them and some do not. Will be getting more copies of this book for my friends at Christmas time as gifts. Do yourself a favor and buy this book! For all that you get, the price is fantastic! I just can't say enough about this book!

Exactly what I've been looking for - this is a great book for markers, for adults and kids alike, it's uplifting, and has a great variety from paisley prints to mandala-like images to pages with quotes you can put up on your wall...love love love this book. I just wish I could find a pdf version so it can be colored on via ipad tablet!!Highly, highly recommended!

Beautiful illustrations and uplifting scripture and quotes. Out of the 20+ adult coloring books I have, this is by far the best. Wasted my money on some, but this one is worth every penny.

Arrived quicker than expected. I bought this book as a gift for my friend. I love the designs so much I ordered another for myself.

I received this in the mail about 1 hour ago, and I am already telling my girlfriends to order this book as quickly as possible. It is beautiful! Great scriptures, and the pictures to color are fun. Each page is perforated, so it is ready to be gently torn out after you have colored it or if you plan on framing it. I do hand embroidery for fun, so sometimes I trace pictures or pretty lettering and then I stitch away.. This book gave me some ideas, I would love to trace some of the pictures into fabric, then "color" it in with my embroidery floss and hang up around my home! This coloring book is great for adults looking for something that is positive and encouraging. In the back section, there are pages for bookmarks, gift tags, and cards to color and cut out! I haven't seen this in many adult coloring books before!
