Travel And Vacation Advertising Cuts From The Twenties And Thirties (Dover Pictorial Archives)

Synopsis

600 eye-catching illustrations with nostalgic appeal depict resorts, palm-lined beaches and elegant hotels, plus people traveling by boat, train, plane, car, and other conveyances; planning trips, picnicking, arriving and departing, stopping at service stations, and engaged in other travel-related activities.

Customer Reviews

The price was low so I took a chance. The illustrations tend to be on the small side. There are many other books out there that do a better job even if they are more expensive. I'm not sorry I bought it for the low price asked, but I don't see much value in it except as easy reference.

Love it. Shipping was sooner than expected. Excellent
