## **Customer Reviews**

This coloring book has a lot of different designs with a variety of complexity. I like that the back of all the coloring pages has a black backing to prevent color bleeding. I would definitely recommend this coloring book to anyone!

The pictures and quotes are great. The paper and size was not as impressive.

Love the pictures.

Bought for grand daughter. She loved it!

The mandalas in this coloring book are beautiful, serene, and evocative of femininity, and bringing the images to life is both relaxing and rewarding. That said, what makes the book special is the addition of powerful quotes from women like Maya Angelou and Eleanor Roosevelt. Personally, I feel more confident with each piece of wisdom, and more calm with each finished mandala. Note: If you're in search of other tools that promote relaxation and empowerment, I'd suggest the accompanying journal: She Believed She Could So She Did Journal For Women: A Inspirational

Notebook with Mini Adult Coloring Mandalas for Relaxation and Encouragement ... Notebooks as Inspirational Gifts for Women).
