Customer Reviews

A good read. Encourages you to sow into the Kingdom of God and stand on the scripture to be fulfilled in your life. God's Word will not return to Him void but will accomplish the purpose for which it was sent. So find a scripture according to your need or circumstance and sow a seed and you will reap a harvest. This is the principal of God of sowing and reaping. Nothing is impossible with God!

Joan Hunter is a very well respected author and believer!

What I learned was to know the ground I am sowing seed into and to remove the religious thinking that every church you go to you have to put money in the offering plate, if the ground isn't good don't do it!

This book is a great read and will strengthen your faith for sowing and reaping.

This book was a blessing. Joan Hunter's writing is an easy read. She is down to earth and shares her life experiences. It opened my eyes to the supernatural provisions that God has and wants for me!
