Grimgar Of Fantasy And Ash: Light Novel Vol. 4

Synopsis

The light novel fantasy epic that inspired a critically-acclaimed anime! Haruhiro awakens to darkness and amnesia, among a group of strangers who can only remember their own names...and nothing else. When they make it into the light, they discover Grimgar - a fantasy world that's like something out of an RPG game. Without apparent skills or knowledge of their surroundings, Haruhiro and his newfound friends band together to form an adventuring party. Only by cooperating, using their wits, and learning new skills can they hope to survive in this dangerous land of monsters and magic.

Customer Reviews

Ao Jyumonji is a Japanese author best known for the Grimgar of Fantasy and Ash light novels. Eiri Shirai is a Japanese manga artist best known for the illustrations in Grimgar of Fantasy and Ash.

Part 4 deals with them trying to move forwards after the events of book 3 half the book is them dealing with aftermath the rest is them fighting in new area. the book feel like the second half of book 3 and is more of the same if you enjoy yourself up till now it worth your time. the jp version has 9 volumes were we have 4 so i hope we get more as the adventure does continue

Having seen the anime and reading ahead, the English release has finally caught up to where I left off. I want to read more and thank all who translated this story as well as, and especially, obviously the one who wrote it. A great blend of humor and life lessons.

Watched the Anime and then decided to read the books. Hopefully there are more to come. I enjoyed the series

It's a great to be able to see more of the world and see how other classes fight.

A great novel and story. It really stands out from other novels in a good way from the way they struggle and grow

The illustrations stopped working for me after I got a quarter into the book. Other than that it's pretty good.

It's good

After the battle there is no clear conclusion of the events after that. Half of the book continues dwelling on the lack of confidence of the main character and also his low self-esteem. No much development of the rest of characters.
